BIDDER'S INFORMATION & INSTRUCTIONS

1. Auction Catalog: This is a mail bid catalog auction. As a subscriber you will receive an auction catalog consisting of descriptions & illustrations of the items w/lot #s. You will also receive your official bid form and previous auctions realized price list.

2. Bid Form: The Bid Form has your official Bidder's Number (right hand corner of the mailing label). Use this # anytime you write or call us. All bids must be accompanied by your Bidder's number.

3. Descriptions & Illustrations: The descriptions & illustrations are personally prepared by our staff of experts, and every effort is taken to assure accuracy. Phone descriptions are available from 8:00am to 4:00pm weekdays at 913-299-6692. All items are available for viewing by appointment only.

4. Reserve Price: The price at the end of each description is the reserve price. No bid will be accepted below this price. A star (*) by the reserve price indicates the item is illustrated.

5. Open Bid: Lots that have Open Bid as the reserve price are offered with no set price. The minimum bid on an Open Bid Lot is \$20.00. Open bids are handled in the same manner as all other bids. Open Bids are not sold as a post auction lot if left unsold after the regular auction.

6. Realized Price Guide: Realized Price Guides are available for \$7.00 a copy. For subscription rates see chart on page 4.

7. Trade Bids: Trade Bids will be accepted under the following rules.

- A. Only on items with over a \$500.00 reserve price.
- B. All postage on trade items shipped to & from the auction are at the trade bidder's expense.
- C. The Trade Bid value will be agreed on between the trade bidder & the auction house, after it has been inspected by the auction house.
- D. After the value of the trade bid has been agreed upon, bidding will proceed in the normal manner. This does not guarantee your bid will be successful.
- E. If the Trade Bidder's invoice amount is less than the value of the trade he will receive a Letter-Of-Credit for the balance, to be used in future auctions.
- F. If Trade Bidder's invoice amount is greater than the value of the trade, they will be responsible for the balance.
- G. All auction rules apply.

8. Highest Bids: Bids are accepted by phone, fax or mail until 11:00am (Central Standard Time - U.S.A.) on the closing date of the auction. From 12:00noon to 8:30pm on the closing date Manion's will sponsor a call-in line to check for highest bids and raise bids. All bids entered during this time by phone or fax must be 10% over the highest bid. This information will not be available to vendors calling on the status of their consignment. All bidders will pay what they bid. Mailed and faxed bids are strongly recommended before 11:00am on the closing date to guarantee that your bids are entered. Our phone bidding line will be open from 12:00 noon to 8:30pm on the closing date at 913-299-6692.
